

Supply List Felicia Forte

Oil Paint

Basic

Cadmium Red (not hue)

Yellow Ochre

Titanium White

Ivory Black

Extras

Quinacridone Red

Ultramarine Blue

Cadmium Yellow

Palette

I use the rectangular New Wave palette, POSH style.

This link will get you the palette and the paint saver box it fits into.

<https://newwaveart.com/collections/posh-wood-table-top-palettes/products/masterson-palette-seal-posh-wood-palette-12x16-set>

Any palette you prefer is fine, but do consider that more mixing space is better for learning to mix accurate and clean color.

Brushes

I have organized a starter set of brushes for my students. I use the Rosemary brushes in the student set as well as Princeton Ashley 5200F series bristle brushes. Usually starting with bristles and finishing with sable.

<https://www.rosemaryandco.com/gift-sets/felicia-forte-set>

This set or the equivalent is fine.

To Paint On

One Pad of 12"x16" Arches Oil Paper

If you have used this paper and do not like it, feel free to bring any surface you prefer. You will need 5.

2 Containers

One larger for turps to wash your brushes in and one smaller for clean medium. I like a metal brush washer with rubber gasket for travel, and a small baby food type jar for the medium.
